

BEST REVIEWER AWARD

To recognize and acknowledge reviewers' valuable contributions in providing timely, quality and constructive comments, each year, the CMR editorial office identifies those reviewers that have gone above and beyond the duty of reviewing manuscripts for the CMR journal.

The recipients of the Best Reviewer Award will be recognized at the CMR home page. All Best Reviewer Award candidates should contribute at least two qualified and timely reviews. Due to that one of goals of the CMR is to give authors professional reviews timely, reviewers are requested to return their review reports within two week.
